

## 1. Search on Google jira free trial download

The screenshot shows a Google search results page for the query "jira free trial download". The search bar at the top contains the text "jira free trial download". Below the search bar, it indicates "About 5,08,000 results (0.38 seconds)". The first result is an advertisement from Atlassian, titled "Free 30-day trial for all apps - Start your free 30 day trial". The ad text says: "Automate your daily work with our event-based automation rules and workflows functions. Calculated Custom fields. Automation rules." It includes links for "Installation", "Support offering", and "Pricing structure". Below the ad, there is a link to "https://www.atlassian.com > software > jira > free" and another result titled "Free - Jira Software | Atlassian". This result mentions: "Consider choosing two products for Free. 72% of our customers combine our products. Jira Software. Plan, track, and release world-class software." The browser's taskbar at the bottom shows various open applications and the system clock indicating 3:10 PM on 17/12/2021.

## 2. Enter work email

The screenshot shows the "Jira Software Cloud Free" sign-up page. The page has a blue header with the Jira logo and the text "Jira Software Cloud Free". Below the header, there is an illustration of people working on a large screen. To the right of the illustration, there is a sign-up form. The form has a heading "Welcome back, Mangesh". It contains a "Work email \*" field with the value "mangeshchewale5@gmail.com". Below this, there is a link "Sign in with a different Atlassian account". The "Your site \*" field is empty, with a placeholder ".atlassian.net". Below the form, there is a link "By clicking below, you agree to the Atlassian Cloud Terms of Service and Privacy Policy." and an "Agree" button. At the bottom of the form, it says "NO CREDIT CARD REQUIRED" and "ATLASSIAN". On the left side of the page, there is a section titled "Trusted by over 65,000 teams worldwide" with logos for Square, VISA, CISCO, and Pfizer. Below the logos, there is a list of benefits: "Scale agile practices", "Consolidate workflows", "Expand visibility", and "Plan, track, and release". The browser's taskbar at the bottom shows various open applications and the system clock indicating 3:10 PM on 17/12/2021.

## 11. Click on use template

The screenshot shows the Jira Project Templates page for the Scrum template. The left sidebar contains the 'Project templates' section with 'Software development' selected. Under 'PRODUCTS', 'Jira Software' is listed. The main content area features a blue header with the word 'Scrum' and a 'Use template' button. Below the header, a paragraph describes the Scrum template: 'The Scrum template helps teams work together using sprints to break down large, complex projects into bite-sized pieces of value. Encourage your team to learn through incremental delivery, self-organize while working on a problem, and regularly reflect on their wins and losses to continuously improve.' To the right of this text, there are three toggle switches, each with a green checkmark. Below the switches is a text input field. Further right, the section 'Plan upcoming work in a backlog' is visible, with a sub-header 'Prioritize and plan your team's work on the backlog. Break down work from your project roadmap, and order work items so your team knows what to deliver first.' and a link 'Learn more about the backlog'. To the right of this, the 'PRODUCT' section shows 'Jira Software' as the selected product. Below that, the 'RECOMMENDED FOR' section lists 'Teams that deliver work on a regular cadence' and 'DevOps teams that want to connect work across their tools'. The 'ISSUE TYPES' section lists 'Epic', 'Story', 'Bug', and 'Task'. At the bottom of the main content area, there is a section titled 'Organize cycles of work into sprints' with a diagram showing a cycle. A 'Next: Select a project type' button is at the bottom right.

This screenshot shows the same Jira Project Templates page for the Scrum template, but with the 'Organize cycles of work into sprints' section expanded. The section title is 'Organize cycles of work into sprints'. The text describes sprints: 'Sprints are short, time-boxed periods when a team collaborates to complete a set amount of customer value. Use sprints to drive incremental delivery, allow your team to ship high-quality work and deliver value faster.' A link 'Learn more about sprints' is provided. To the right of the text is a diagram showing a blue circular arrow with a green arrow pointing right. Below the text, there is a bar chart with five green bars of increasing height. To the right of the bar chart, the 'ISSUE TYPES' section lists 'Epic', 'Story', 'Bug', 'Task', and 'Sub-task'. The 'WORKFLOW' section lists 'TO DO', 'IN PROGRESS', and 'DONE'. At the bottom right, the 'Next: Select a project type' button is visible.

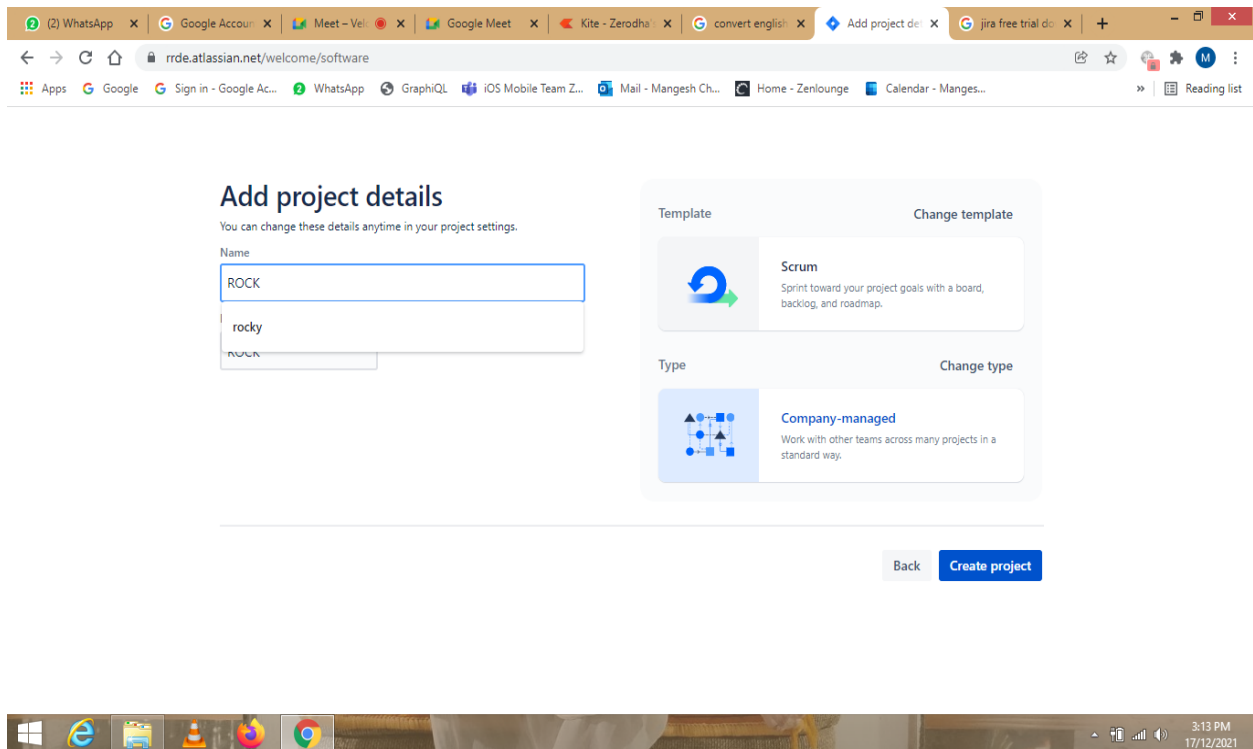

## 12. Select a company managed project

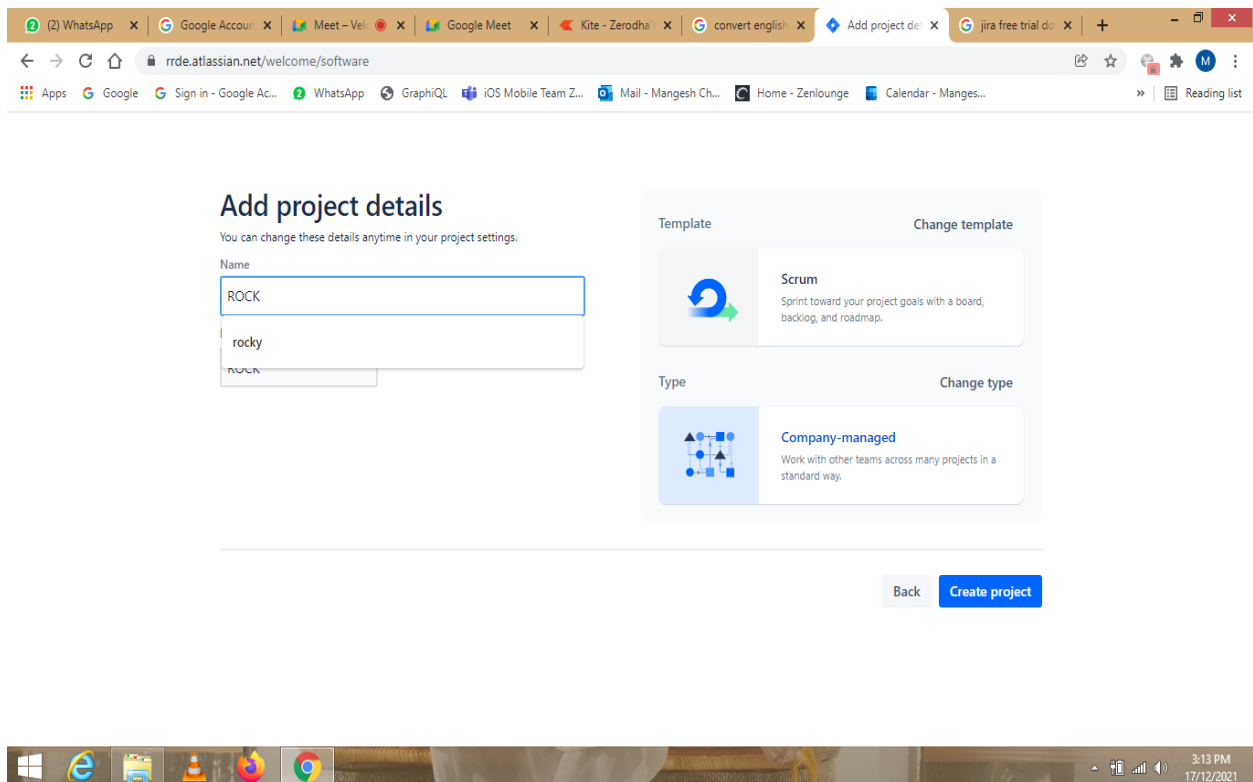

### 13. Enter add project details- name of project

### 14. Click on the create project

## 15. See the Dashboard like this

The screenshot displays the Jira Software interface in a web browser. The browser's address bar shows the URL `rrde.atlassian.net/jira/software/c/projects/ROCK/boards/1`. The Jira navigation bar at the top includes links for 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', along with a 'Create' button and a search bar. On the left sidebar, the 'Active sprints' option is selected under the 'ROCK' project. The main content area is titled 'Active sprints' and features a search bar, a user profile icon labeled 'MC', and filter buttons for 'Only My Issues' and 'Recently Updated'. Below these are three columns labeled 'TO DO', 'IN PROGRESS', and 'DONE'. A central message states 'There are no active sprints' with a sub-message 'Start sprints in the Backlog' and an icon showing a sprint board. A banner at the top of the main area asks if the team needs more from Jira, linking to a free trial. The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 3:13 PM on 17/12/2021.
