Be part of an exciting journey!

StrikeTru is growing and is looking for people to join our fun-loving team.

Why Join Us?

To chart your own course in an inspired, productive, entrepreneurial and game-changing team that lives and breathes data management & eCommerce.

StrikeTru is an expert commerce and data service provider. From content to creative to tools, we offer a suite of services to help brands and retailers modernize commerce environments. We bring together commerce and data tools expertise, high-touch implementations, proprietary accelerators, and comprehensive product data services to fast-track superior digital experiences.

We provide clients a holistic and integrated delivery team that applies best practices in digital experience design, data architecture, system design and implementation, integrations, migrations, and automations. We combine domain, platform, and industry know-how with a robust delivery methodology to ensure successful projects.

A typical day at StrikeTru is about, 'Let's solve this together' with brainstorming and collaboration throughout the day, bursts of laughter are not uncommon as well. We encourage our present & future employees to grow and learn in a way that is meaningful to their career paths.

Whether it was authentically getting behind a combined passion for commerce & technology a decade ago or spearheading an early-stage startup to success, the founders of StrikeTru are poised for growth.
