The screenshot shows the Gun.io website with a dark theme. The header includes the Gun.io logo (a cowboy hat with glasses) and navigation links: Find work, Pricing, Blog, and About us. The main content area features the headline "Pain-free technical hiring" and the subtext "We help busy leaders hire high-performing software talent." Below this are two buttons: "Find talent" (highlighted in green) and "Find work". At the bottom left, it says "Trusted by" followed by logos for Google, Amazon, and Facebook. On the right side of the main content area, there is an illustration of three people in a meeting around a round table, with a green triangle on the table.
